**Subject No. 434.**

**Puduvat funds to temples.**

Mr. Shanbhog Narasinga Rao of Hunsur Taluk.

*Summary of discussion.*—The puduvat amounts given by some devotees on account of Mallikarjunaswami at Bettadapura have been lent to several persons on their executing documents. Small recoveries made on the above documents are not well spent. Some of such bonds are also barred by limitation. The period of limitation in such cases may therefore be fixed at 12 years and the arrears ordered to be recovered as land revenue.

*Reply of Government.*—The Deputy Commissioner will be asked to make enquiries. The alteration of law is not possible.

**Subject No. 435.**

**Annachattram at Hunsur.**

Mr. Narasinga Rao of Hunsur.

*Summary of discussion.*—Bairagis and other pilgrims proceeding to Talakaveri *vid* Hunsur, Periyapatna, Kusalnagar and Mercara find no shelter at Hunsur. As the want of an Annachattram at Hunsur is much felt by the public, it is requested that one may be constructed.

*Reply of Government.*—This is not possible. The abolition of any of the existing Muzrai Annachattrams in the Mysore District would cause inconvenience to travellers.

**Subject No. 436.**

**Providing a chattram at Hangala.**

Mr. Siddalingappa and Mr. Vishakantappa, Gundlupet Taluk.

*Summary of discussion.*—The village of Hangala is on the road-side from Mysore to Nilgiri. Pilgrims going to Rameswaram and other places are obliged to halt there for a night as a matter of necessity. As want of accommodation for the use of the travellers is much felt it is desirable that a chattram should be constructed there.

*Reply of Government.*—Not possible.

**Subject No. 437.**

**The temple and chattram at Balamuri.**

Messrs. Venkatakrishnappa and Thimmannaiya of Seringapatam Taluk.

*Summary of discussion.*—Balamuri is a holy place visited by many pilgrims. A chattram and the temples of Agastheswaraswami and Pranadevaru and sopanums for the river were constructed at an enormous outlay of Rs. 2,00,000 during the time of His Highness the late Maharaja Sri Krishnaraja Wadayar Bahadur and Dewan Purnaiya. All these are now in a dilapidated condition. This subject was discussed at the Dasara Representative Assembly of 1901, (Subject No. 282) and it was referred to the Muzrai Department. An estimate for Rs. 600 has been sanctioned for repairing only the Agastheswaraswami temple. It is earnestly prayed that other buildings may also be repaired and kept in good condition, they being ancient and worth preserving.

*Reply of Government.*—This will be considered.

**Subject No. 438.**

**Revival of feeding in the Nanjangud Annachattram.**

*Summary of discussion.*—The revival of feeding in the Nanjangud Annachattram is prayed for.

*Reply of Government.*—The Muzrai Department will be asked to submit proposals on this subject soon.
